SPRING 2021

Dear Friend of Bayhealth,

This year marks the 36th anniversary of Dover Motorsports, Inc and the Bayhealth Foundation co-hosting an annual, charitable golf tournament. We are pleased to achieve this important milestone and to once again offer this joint fundraising event that benefits patient care at Bayhealth.

Since its inception, the tournament has raised over **\$1,000,000**. Thanks to everyone who has made this event such a success over the years.

The 2021 tournament will be held at Maple Dale Golf & Country Club in Dover on Friday, May 14th to coincide with the spring NASCAR race weekend. Maple Dale is located just minutes from the track. The Bayhealth Foundation team is working with Maple Dale to ensure all necessary COVID-19 guidelines are observed for the safety of all participants and volunteers.

Bayhealth is driven to bring the nation's best healthcare to our communities here at home. The organization is proud to offer that same quality of care to the NASCAR community on race weekend, assisting visitors, race teams, and drivers that come to Dover over the course of the three-day event. Both the Infield Care Center inside Turn 4 and the Fan Care Center outside of Gate 1 at Dover International Speedway are staffed by Bayhealth.

We sincerely hope you will consider supporting our efforts with a sponsorship, contribution, or a donation of a prize item that can be given away at the post-tournament awards event.

Individuals are also invited to participate in the scramble format event. Due to current COVID-19 restrictions, there are a limited number of player registrations available. If you are interested in playing or contributing, please contact Chuck Desch at the Bayhealth Foundation at 302-744-7015 or visit [Bayhealth.org/Foundation](https://www.bayhealth.org/Foundation) for more information or to register.

Thanking you in advance for your consideration.

Sincerely,

Mike Tatoian
