Real-World Career Experiences[®] Exploring

For Sixth-, Seventh-, and Eighth-Graders

The Explorer Club Learning for Life career education program is for young men and women who are in the sixth, seventh, and eighth grades. For those individuals who are 15 years old or older, please review the guidelines/website for joining Exploring Posts.

The Explorer Club's purpose is to provide experiences to help young people learn about different careers.

The Exploring Learning for Life career education program is for young men and women who are at least 14 (and have completed the eighth grade) and not yet 21 years old.

Exploring's purpose is to provide experiences to help young people mature and become responsible and caring adults. Explorers are ready to explore the meaning of interdependence in their personal relationships.

YOUTH APPLICATION

Exploring is based on a unique and dynamic relationship between youth and the organizations in their communities. Local community organizations initiate a specific Explorer post or club by matching their people and program resources to the interests of young people in the community. The result is a program of activities that helps youth pursue their special interests, grow, and develop.

Explorer posts/clubs can specialize in a variety of career skills. Exploring programs are based upon five areas of emphasis: career opportunities, life skills, citizenship, character education, and leadership experience.
