

Process for Student Shadow Observer

Student: Sign Up

Go to <https://app.cliniciannexus.com/join> and create an account.

Enter your email as your username and set a password.

You will then need to go to your personal email and confirm your email address.

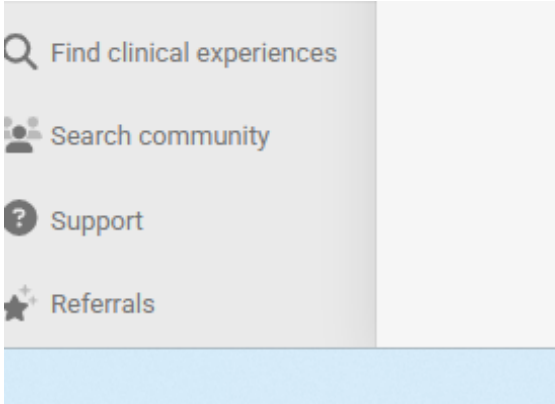

Select Your Student Role and School:

Return to Clinician Nexus and select your student role, and click next.

The screenshot shows a teal header bar with the text "Add a role" and a close icon. Below the header are three selection cards. The first card, "Apply for clinical experiences as a student, resident, volunteer, etc.", is highlighted with a red circle. The second card is "Manage clinical experiences as staff for a hospital, clinic, or care setting". The third card is "Manage clinical experiences as staff for a school, university, or teaching institution". At the bottom right, there is a teal button labeled "NEXT".

You will need to choose Observer for your Discipline and Delaware High School for your school. (Even if you are not a Delaware High school student).

You should see these options on the bottom right of your screen. Please choose Find Clinical Experiences.

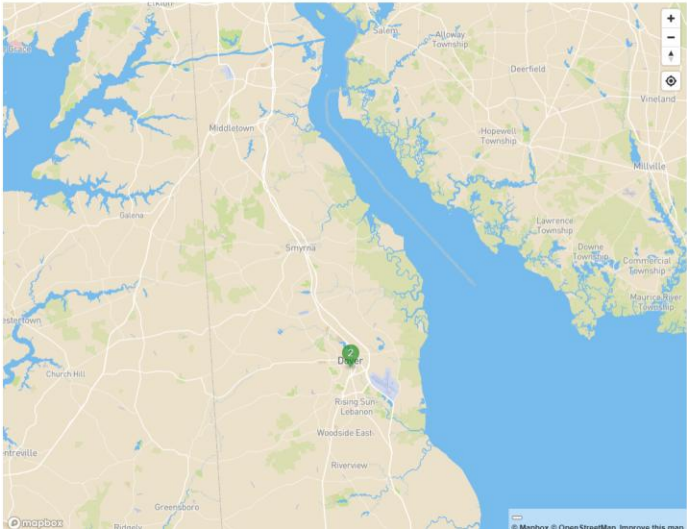

Your screen should look like this. You may need to zoom in on the map to encompass Delaware.
